PRESS RELEASE

Introducing Atten Babler Risk Management LLC

Galena, IL, March 23, 2012 – Effective immediately First Capitol Risk Management LLC is changing its name to Atten Babler Risk Management LLC. The Principals of our firm continue to be Will Babler, Chris Atten and Carl Babler. Our team of brokers, analysts and administrative staff will continue to provide commodity risk management advisory, research and brokerage services. Our offices will remain in Galena, IL. We are making this name change in conjunction with the formation of our new futures and options brokerage firm [Atten Babler Commodities LLC](#). We welcome any inquiries about this press release or our services in general. Please do not hesitate to contact us using the information provided below.

Company Information

Atten Babler Risk Management LLC provides consulting and brokerage services in agricultural, energy and environmental commodities. For over twenty years our principals have assisted commodity producers, processors, end-users and traders in capturing opportunity and minimizing risk. Our commodity risk management consulting services included proprietary market research, strategic advisory, and comprehensive margin management programs. Atten Babler Risk Management also provides brokerage services for OTC commodity derivatives and physical commodities.
